Reminders

Valentine's Day Celebration
February 14th

**Please send Valentines to
school by Friday 2/9**

Weekly Theme

Love and Friendship

Weekly Recap

We had an amazing week discovering dinosaurs! We learned that dinosaurs are extinct, some were meat eaters/some plant eaters. We wrote the letters of our name and put them in order to create a name-a saurus. We pretended to be paleontologists and examined fossils and bones. We completed dinosaur number sequencing puzzles and pattern blocks. Everyone loved working at the dinosaur museum, buying and selling souvenirs.
