Tuition for University-Affiliated Individuals/Families

Tuition for children of faculty, staff, and/or students at the University of Mississippi is the same regardless of current University status. University Identification Cards will be required when Enrollment Intent Forms are returned, as well as the supply fee and the form itself. A copy of the employee or student ID card will be maintained in the child's file at Willie Price Lab School (WPLS).

University of Mississippi Employees

The Department of Human Resources (HR) at the University of Mississippi (UM) verifies employment of one or both parents. The tuition amount is \$ 6,000. If an employee's TOTAL family income is less than \$50,000, then the employee can complete a scholarship application form (included in enrollment packet). The employee will be required to submit pages 1 and 2 of the previous year's income tax return with the scholarship application to verify total family income.

NOTE: The monthly tuition amount applies to the school's normal operating hours of 7:30 a. m. until 3:15 p. m. each day. The tuition does not cover the after-school hours of 3:15 p. m. until 5:15 p. m. each day. The after-school cost will be applied for families that choose to participate in the after - school program.
