What is TeachLive?

- TeachLive is a **virtual classroom experience** where you have the opportunity to teach a short lesson (Don't worry! We've already created the lesson plans for you.)
- In the TeachLive room, you will find a large TV screen where the avatar students will come to life! They will act just like "real" students by asking you questions and occasionally disrupting class.
- This experience is to provide you with practice teaching a lesson in a mock classroom.
- The TeachLive website can be found <u>here</u>
