NES Policies

Admission Policy

You should report to the test center 30 minutes before your scheduled appointment time. This will give you adequate time to complete the necessary sign-in procedures. Please be prepared to show proper identification: one piece of current, government-issued identification printed in English, in the name in which you registered, bearing your photograph and signature. Copies will not be accepted. Acceptable forms of government-issued identification include photo-bearing driver licenses and passports. The Department of Motor Vehicles provides acceptable photo-bearing identification cards for individuals who do not have a driver's license. If the name on your identification differs from the name in which you registered, you must bring official verification of the change (e.g., marriage certificate, court order).

Please be advised that prior to testing you will be photographed and a palm scan will be taken at the test center. During testing you will be monitored by video and audio recording at all times.

If you arrive more than 15 minutes late for a test and are refused admission, you will not receive a refund.

You will not be allowed to take any personal items with you into the testing room. This includes but is not limited to all bags, books not authorized by the testing program, notes, cell phones, pagers, watches, and wallets.

Reschedule Policy

If you wish to reschedule your test, you must do so through your account at least 24 hours prior to your test appointment. If you do not reschedule a test more than 24 hours in advance and you are absent from your test, you will not receive a refund.

Pearson VUE will not be held responsible for expenses incurred beyond the cost of the exam, including but not limited to travel expenses and lost wages on the day of the exam.

Cancellation Policy

You may cancel your test appointment up to 24 hours before your scheduled testing time. After canceling your appointment you may either reschedule another appointment or withdraw your registration completely. If you withdraw your registration completely you will receive a refund of your test fee in accordance with the Withdrawal/Refund Policy as stated on the program website. To withdraw this registration completely, return to your account after canceling the appointment and select Withdraw.

I have read and agree to the NES policies listed above.
