

WANTED:

Employees for growing, complex enterprise in a highly regulated industry. Must stay focused on core business despite disparate stakeholder demands, uncertain funding, critical labor shortages, and politically charged environment. Must be highly skilled at dealing with sensitive and divisive issues that may jeopardize relationships, health, and/or career. Must be able to withstand intense scrutiny of professional and personal life. Typical workday: 7 a.m. to 10 p.m., plus weekends. College education required. Pay significantly below market rate. Future of nation at stake.
