## **Tuition Scholarships**

Each MTFP Fellow will be eligible for tuition scholarships (**non-resident/non-course tuition fees not applicable**) for a Masters **OR** Specialist program in the School of Education at a Mississippi institution of higher learning.

To ensure receipt of these scholarships, please follow these instructions carefully:

1. Pre-register/Register for courses (**graduate courses only**) at your graduate institution...Fall, Spring, Summer, Intersessions
2. Once you receive a bill/invoice for your courses, you should take a copy of the bill/invoice and **your schedule** to the contact person at your graduate institution. These contact persons are listed on page three (3) of this handbook.
3. The contact person will submit to the MTFP Program Office your MTFP Tuition Invoice Form along with a copy of your bill/invoice for courses and a copy of your schedule. **\*\*Note: Do not pay tuition out of pocket. Tuition scholarships are not processed as reimbursements to Fellows.**
4. Fellows will be responsible for paying any late fees incurred due to failure to submit (in a timely manner) appropriate paperwork to the MTFP Office.
5. If a Fellow chooses to withdraw from a course which has been paid for by MTFP tuition scholarships, the Fellow must follow his/her graduate institution's procedure and may be held responsible for repayment.
6. Fellows are responsible for any extra fees such as registration fees, parking, activity fees, late fees, class withdrawal fees, online class fees, etc.

**MTFP only pays for the actual course.**

## **Book Stipends**

In addition to tuition scholarships, each Fellow is eligible for thirty (30) dollars per course hour as book stipends. Once the MTFP Program Office receives a Fellow's tuition invoice form and verification of graduate course hours from his/her graduate institution (See TUITION SCHOLARSHIPS section), a book stipend will be processed from the MTFP Program Office. These stipends (a University of Mississippi check mailed directly to the Fellow's home address or Fellow can choose direct deposit) should act as a reimbursement to the Fellow due to time constraints in processing the appropriate paperwork.

## **Duration of Scholarships**

Tuition scholarships and book stipends will be available for three (3) years (until July 2018 for 2015 Fellows; until July 2019 for 2016 Fellows; until July 2020 for 2017 Fellows), or until completion of a Master of Education OR Educational Specialist degree program. MTFP will pay a maximum of 39 graduate hours towards degree program. Degree programs that require more than the 39 maximum hours will have to be approved by MTFP. MTFP will not pay for undergraduate courses, non-resident tuition fees or non-course tuition fees.

## **Transcript Requests**

- **Official transcripts** must be submitted to the MTFP Office by **June 15<sup>th</sup>** of each year. If transcripts are not received, tuition scholarships will be suspended beginning the fall of that program year, until receipt of the transcript. *Third-year Fellows must submit a final transcript with degree posted—submitted by August 15<sup>th</sup> of final program year. The degree MTFP paid for should be posted on this final transcript.*

**\*\*Fellows** who have grade point averages (GPA) which fall below a 3.00 cumulative will be required to submit a transcript upon completion of each semester in which they are enrolled. The MTFP will work in conjunction with University Supervisors in monitoring the progression of Fellows in raising their overall GPA. Failure to show continual progression towards improving their GPA in order to meet the 3.00 graduation requirement for each graduate school may lead to a Fellow's dismissal from the MTFP.

## **MTFP News**

Each 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> year Fellow will receive the once-a-week "MTFP News" from the MTFP Office. The purpose of these messages is to provide pertinent program information, maintain ongoing contact with all Fellows, and to promote the development of the cohort group through the sharing of both professional and personal successes of Fellows.

## **Chat Sessions**

MTFP Fellows are divided into chat groups by content area and/or grade level. Each chat group is assigned a Faculty Chat Coordinator who will facilitate and maintain records for the group's required number of chat sessions (see CHAT ATTENDANCE POLICY). The purpose of these chat sessions is to allow Fellows to share teaching strategies and successes and to brainstorm solutions to challenges in the classroom. Each group establishes topics and dates for the sessions with guidance from the Faculty Chat Coordinator. A list of Chat Groups will be distributed at MTFP Orientation.

**Please note:** Chat sessions are scheduled for one hour. Unless you are present for at least 45 minutes, you will not receive credit.

## **Chat Attendance Policy (1<sup>st</sup>-year Fellows)**

MTFP Fellows will be allowed two (2) absences from chat per semester, resulting in a **total of 10 completed** for the program year. If a Fellow accumulates more than two (2) absences in a semester, he/she will be required to make up that semester of chat sessions in the summer (May) prior to the second year of the program. Chat sessions are not required of second-year or third-year Fellows. Failure to comply with this policy in the "make-up" summer semester would result in suspension of tuition and a formal review of the Fellow by the MTFP Board of Directors, which could lead to dismissal from the program.

**Please note:** Any session missed due to an emergency situation should be made up by meeting with the make-up group, which also meets twice each month.

### **Town Meeting Discussion Board (2<sup>nd</sup>-Year Fellows)**

Second year Fellows are required to research and post research articles (6) on various topics using Blackboard Discussion Board. Throughout the year, MTFP Staff will assign topics of interest for Fellows to research and post an article pertaining to the assigned topic. All second year Fellows will be able to read articles posted by other Fellows.

### **Town Meeting Discussion Board Policy**

MTFP Fellows are expected to post articles according to the given schedule that will be posted on the Announcements in Blackboard and Bi-Weekly News. There is no reason for not posting an article within the given time. Failure to comply with this policy by May 31<sup>st</sup> would result in suspension of tuition and a formal review of the Fellow's status in the program by the MTFP Board of Directors, which could lead to dismissal, repayment of full tuition. **Town Meeting Discussion Board is not required of first-year or third-year Fellows.**
