

World Class Teaching Program of Ole Miss
Online Mentor Application

Online Mentoring is very flexiable. You will be responsible for conducting 12 hours of mentoring in the fall and 16 hours of mentoring in the spring. You will have the option to choose the days and times of your meetings. Online mentoring uses a high speed internet connection, Blackboard, and Google Hangouts. Pay is based on the number of candidates served by the mentor. Training will be provided.

Submit this application to kirkland@olemiss.edu or the following address:
