

## National Board Teacher Certification

The graphic features the Ole Miss logo and 'WORLD CLASS TEACHING PROGRAM' on the left. On the right, a yellow banner reads 'DISTINGUISH' above the text 'YOUR PRACTICE | YOUR STUDENTS | YOURSELF'. Below this, four icons represent benefits: a bank with a dollar sign for 'GET ahead' (certify and receive a \$6,000 annual raise), a graduation cap for 'boost KNOWLEDGE' (improve practice and increase student achievement), a group of people for 'experienced MENTORS' (experience free candidate support), and a laptop for 'HIGH tech' (review our extensive online resources).

### Who are we?

The World Class Teaching Program at the University of Mississippi is a candidate support system that assists teachers with successfully completing their National Board journey.
