## Component 2 Roadmap

### Differentiation in Instruction

2

#### FOCUS

The focus is on the teacher's ability to apply pedagogical knowledge and skills, specifically differentiation, to advance student learning.

1

15%

Component 2 is 15% of your total score. Print out and thoroughly read the [component instructions](#).

3

#### IDENTIFY

In the component instructions identify the standards you are asked to meet in Component 2 (see page 1 & 2).

4

#### TASK

Each certificate is provided a "task". Your component instructions identifies your task under "What Am I Asked to Do." This task is the vehicle that you will use to demonstrate what your component asks you to do.

6

#### CHOOSE

All certificates are asked to choose students, most will choose two, to feature and submit work samples. Choose students with different needs, strengths and weaknesses.

5

#### KOS

Use Knowledge of Students to guide your instructional decisions and "How" you will differentiate for your students.

7

#### SUBMIT

Both your component instructions and the included *Electronic Submission at a Glance* will define what and how you are to submit materials.
